Here's the results of the vote on the road proposal:

**Yes: 43**

**No:108**

**Ballots not returned:39**

Message from the President:

The results of the vote on the road proposal have been passed on to Ultra 5, including Don and Eric Gustafson. I pointed out that, although the vote was a solid majority voting no, that does not mean Lot Owners don't think we need new roads. It means Lot Owners do not agree with the 70/30 split. We shall see what Management decides to do. For now, we keep the roads we have.

Thanks

Reggie

If your ticket is pulled, you win that item.**
